

Project WILD Activities with Art or Music Connections

Last updated October 2019

Project WILD K-12 Curriculum and Activity Guide

Art Connections:

- Adaptation Artistry
- Animal Poetry (more language arts oriented, but can tie in well with visual arts and music)
- Color Crazy
- Fabled Fauna (Extension #2)
- Museum Search for Wildlife
- My Kingdom for a Shelter
- What you Wear is What they Were (Extension #1)
- What's that, Habitat? (Extension #2)
- Wild Words
- Wildlife Symbols

Music Connections:

- Power of a Song (Music)

Aquatic WILD K-12 Curriculum and Activity Guide

Art Connections:

- Aqua Words (poetry with strong visual art connection)
- Conservation Messaging (can include art and graphics as part of students' public service announcement projects)
- Designing a Habitat
- Fashion a Fish
- Fishy Who's Who
- Marsh Munchers (Extension #1)
- Mermaids and Manatees
- Water Plant Art
- Water Wings

Music Connections:

- Conservation Messaging (use of music as an option in student public service announcements)
- Watered-Down History (has a minor music connection in Extension #2)
- Water Wings (option for playing background music while students visualize a water body)

Flying WILD: An Educator's Guide to Celebrating Birds

Art Connections:

- Adaptation Artistry
- Avian Art
- Birds on Display
- Count Your Birds
- Create Your Own Food Web
- The Fine Art of Nesting
- Light as a Feather
- Teaming Up for Birds

Music Connections:

- Avian Acoustics: Sound Off! (students imitate bird songs)
