

## Educator Workshop on Birds

- ✧ Celebrate birds with Flying WILD, a conservation education guide featuring 43 interdisciplinary hands-on classroom activities.
- ✧ Key concepts include migration, adaptation, the importance of habitat, and bird conservation efforts.
- ✧ The guide is suitable upper elementary and middle school students and includes activities that older students can share with lower grade levels as part of a celebration of birds in the environment.
- ✧ All participants will receive a copy of the Flying WILD Activity guide and supplementary materials on Virginia birds.
- ✧ Additional information about this and other Project WILD programs can be found at [www.projectwild.org](http://www.projectwild.org)
