AGENCIES

TECHNOLOGY & DATA SUBCOMMITTEE

Chair: Rett Boyd (FL)

Vice-Chair: Angie Haywood (IN)

Date: Thursday April 2, 2026

10:15 am – 12:15 pm (EST)

91st North American Conference

Hilton Columbus Downtown | Columbus, OH

SIGN-IN QR Code

Agenda

10:15 AM - Introductions & review of committee charge – Rett Boyd (FL) Chair, Angie Haywood (IN) Vice-Chair

10:20 AM - Fleet Management Demo – Jon Martin (Samsara)

10:40 AM - Survey of FW Agencies on Artificial Intelligence/Machine Learning – Laura Conlee (MO)

11:00 AM - State Agency Education Challenges & Technology Solutions – Alex Baer (IHEA)

IHEA identifies state agency education team challenges related to tech and data solutions and provides a suite of connected tech solutions to address these challenges.

11:20 AM - NASA HQ Updates & NASA/WMI project – Janet Nackoney (NASA), Jessica Burnett (NASA), Jennifer Newmark (WMI)

NASA and the Wildlife Management Institute (WMI) are leading a project to improve the use of NASA Earth observations (EO) data in wildlife management and conservation. They will highlight preliminary results documenting challenges, opportunities and recommendations from conservation-vested organizations and agencies in synergizing their use of NASA EO data.

11:40 AM - SFWA Data Security - Rubrik

12:00 PM - Roundtable Discussion on Tech Efficiencies & Tech Challenges – Rett Boyd (FL) Chair

12:15 PM - Future Topics, Wrap-up & Adjourn – Rett Boyd (FL) Chair
