

**New Hampshire Fish and Game Department
EXECUTIVE DIRECTOR**

The N. H. Fish and Game Department is seeking candidates for executive director, a competent administrator with significant experience in wildlife, fisheries, conservation, natural resources, conservation law or related fields. This is an unclassified state position with a term of four years from date of appointment by Governor and Executive Council. The Executive Director is responsible for the day-to-day management and oversight of seven divisions, regional offices, hatcheries and educational centers. The Executive Director builds and maintains relationships with a variety of organizations such as sporting clubs, wildlife organizations, other governmental and non-governmental agencies, the Legislature, media and the public, which require excellent communication skills. The ideal candidate will have extensive knowledge in administration, wildlife, fisheries, natural resources, conservation law, as well as, business, public administration or experience in related fields. This position includes excellent benefits and a salary of up to \$117,805.48. For consideration, all applications need to be post marked by December 31, 2019. Send a cover letter, resume and professional references to:
