FUNDRAISING WORKING GROUP**

**Chairs:** Shelly Plante, Daren Riedle

**Tuesday, September 26, 2023**

In April 2019 the joint EOD-WDCF working group held our initial meeting. The main focus of the working group is RAWA and supporting the campaign by leveraging the expertise of WDPM and EOD committee. The working group will also support Relevancy Roadmap efforts by telling state stories and reaching out to audiences with whom we historically have had insufficient relationships.
