

Opening for Wildlife Lake Specialist Intermediate in Nicollet MN

The Minnesota Department of Natural Resources Shallow Lakes Program is filling a permanent position stationed in the Nicollet office and covering a multi-county area in southern MN (i.e Prairie Pothole country). This position has direct responsibilities for monitoring and managing shallow lakes to benefit waterfowl and other wildlife. This position is for graduates with 2 years of professional level experience and a love for waterfowl/ wetland habitats. Please contact Nicole Hansel-Welch, Shallow Lake Program Supervisor, with any questions: office phone - 218-203-4333, e-mail - nicole.hansel-welch@state.mn.us

More information is also available on the Shallow Lakes Program website:

<https://www.dnr.state.mn.us/wildlife/shallowlakes/index.html>
