**Based on education and experience, the selectee will be hired into one of the above-mentioned job codes.**

#### **JOB DESCRIPTION**

Under general supervision, this position leads communication efforts for the Game Management Section by developing and implementing campaigns and outreach programs. The role involves creating educational materials, managing media relations, and supporting initiatives related to game species research, habitat management, and R3 (Recruitment, Retention, and Reactivation) efforts.

The position works closely with the Game Management Section team to enhance public awareness and engagement. Responsibilities include collecting and managing multimedia content, coordinating press releases, and collaborating with internal and external stakeholders to promote program goals effectively.
