**Federal Public Lands Policy Committee Charter**

- Provide forum for discussion, deliberation, collaboration, coordination, and action with respect to fish and wildlife conservation, outdoor recreation, and land management policies in the context of the state and federal agencies which have various jurisdictional authorities over these resources.
- Coordinate effective delivery of stewardship and conservation of fish and wildlife resources, land management, and outdoor recreation on federal lands.
- Serve as a forum to foster collaborative relationships between state and federal agencies that deliver fish and wildlife conservation and land management actions on public lands within their jurisdictions.

**Working Groups:**      1) Wild Horse and Burro Working Group  
                                 2) Wildlife Management Activities in Federal Wilderness Areas Working Group
