

THE RETURN YOU CAN SEE: WHAT SPRING MIGRATION DELIVERS

Each spring, investments in Canadian waterfowl habitat come back as one of North America's most remarkable wildlife viewing experiences.

1 A CONTINENTAL SYSTEM

2 MIGRATION IN MOTION

3 A SEASON THAT REACHES EVERY STATE

4 WHAT FALL FLIGHTS INVESTMENTS DELIVER

1 Spectacular spring bird migrations

2 Memorable birdwatching experiences

3 Economic benefits for rural communities and local economies

4 Healthier communities through connections to nature

5 DRIVING A POWERFUL ECONOMY

Across the United States, birdwatching supported by Canadian habitat drives more than...

\$37 BILLION
in economic activity each year

...supporting over
180,000
jobs

...generating nearly
\$5 BILLION
to tax revenue.

From Canada to your local wetlands, this is your investment brought to life across our shared landscape.
